Cancellation and Payment Policies

Your child's treatment sessions are by an Occupational, Physical or Speech AZ licensed therapist. Your therapy team includes the therapist, the horse handler, and 1-2 Side-walker/Safety team members. These are trained volunteers who assist with the therapy session and will safely and quickly remove the rider in the event of an unforeseen patient or horse emergency.

Four people are giving their time to prepare for and assist with your treatment session. Because of the amount of preparation and time involved prior to your session we appreciate at least a 24-hour notice if you cannot attend your scheduled treatment session. In the event of inclement weather therapy sessions may be held in the barn, subject to therapists' discretion.

You may lose your appointment time and scholarship money with 2 no show/no 24-hour cancellation occurrences.

Fees

Fees are \$130.00 per visit

PT evaluations/re-evaluations \$150.00

We may have some scholarship monies available to reduce your out of pocket cost per visit to a barn/activity fee per therapy session. Payment of the barn/activity fee is required to reserve your initial appointment and you may pre-pay for multiple sessions. This fee may be waived depending upon the scholarship monies available. Please let Pat know if you need assistance with the barn/activity fee.

We accept Paypal, Visa, MC check, class wallet
